

2020 INNER CITY HOUSING SUMMIT COLLABORATE

ABOUT THE EVENT

APRIL 30, 2020

LAREDO COLLEGE, FORT McINTOSH CAMPUS

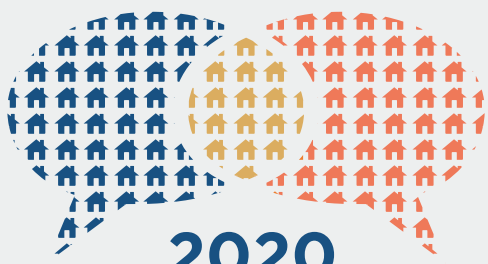

We're excited to welcome the 2nd Annual Inner City Housing Summit. Building on last year's inaugural summit, our goal is to **COLLABORATE** as a community of stakeholders and lead the charge to make positive change! We invite residents, community leaders, decision-makers, non-profit organizations, realtors, bankers, property owners, developers and investors to join the conversation and efforts. As like-minded leaders, we can successfully tackle redevelopment challenges such as – disinvestment in neighborhoods and downtown, vacant buildings and lots, and public policy and land development code issues to spur housing redevelopment and revitalization of properties and our city. **Join Us!**

Please join the team as we
COLLABORATE
to address issues and solutions!

- Inner City Reinvestment Metric & Policy Kit
- Spurring Downtown Redevelopment
- Vacant Building Ordinance
- ReCode Laredo Project Update
- Inclusionary Housing Strategies & Micro-Housing
- Kickstarting Housing & Economic Development in Distressed Neighborhoods
